Re: Re-Appointment to the Templeton Cemetery District Board of Trustees

Dear Supervisor Mecham,

I, Richard Dusi, am requesting your consideration and approval to be re-appointed to the position of Trustee on the Templeton Cemetery Board, as I was just informed that my term had lapsed in March of 2014.

I have been very fortunate to serve several terms as a Trustee and wish to remain on this Board. Together, we the Trustees have strived to serve our community to the fullest. We have combined our efforts in improving and providing our community with a quaint, accessible and smooth operational cemetery.

I thank you in advance for your consideration to my request.

Respectfully,

Richard Dusi
